

CLEAN, SAFE, AND LOOKING GREAT.

PRODUCTS & SERVICES

A man with glasses and a goatee, wearing a dark polo shirt with the Wildman logo, stands in a laundry room. He has his arms crossed and is looking towards the camera. The room is filled with metal racks of clothes, and the entire scene is overlaid with a blue tint.

CUSTOM SOLUTIONS PROVIDER

We are a custom solutions provider.

We focus on enhancing your brand and simplifying your program so you can do business more efficiently. Our custom uniform and apparel programs make your team look and feel their best, our janitorial and cleaning solutions keep your employees and customers healthy and protected from harmful viruses and bacteria, and our first aid, safety, and industrial products keep your team protected and productive.

FIRST AID

You have a million other things to do. Save time and money with Wildman first aid services.

FIRST AID

Keep your employees safe, healthy, and productive.

Save time and control costs with OSHA-compliant first aid kits from Wildman. Regular cleaning and service of your kit ensures your products aren't expired, accurate inventory is maintained, your employees are safe, and your business is compliant.

Bilingual product packaging is available.

We proudly carry a full line of first aid supplies and tablet medications including:

- Bandages and Wound Care
- Eye Protection, Eye Wash, and Eye Wash Service
- Over-the-Counter Tablets
- Gauze
- Elastic Wraps
- Ice Packs
- Many More!

SAFETY

Keep your employees and workplace safe with safety products and services from Wildman.

PERSONAL PROTECTIVE EQUIPMENT

Safety is our top priority... for you!

Wildman's comprehensive line of personal protective equipment keeps your employees safe and productive and your business compliant.

How it works:

- 1 Onsite assessment of safety & PPE needs
- 2 Trained professionals deliver your safety & PPE supplies
- 3 We stock, replenish, and maintain your safety cabinets

TRAINING

Safety Training Workshops

Our trained staff will come to your facility to conduct and educate your employees on the benefits of learning these lifesaving practices.

-  CPR/AED TRAINING
-  FIRST AID TRAINING
-  BLOOD-BORNE PATHOGENS TRAINING

RESTROOM PROGRAM

If your facility doesn't shine, your customers notice.

RESTROOM PROGRAM

First impressions are important for your business.

Regardless of industry, a restroom's cleanliness directly impacts business and the ability to attract and retain customers and employees. With the digital world, customers can share any poor impressions with friends, costing you customers before they even step foot into your business.

A clean and orderly restroom speaks for itself. Here's how we can help:

- ✓ Trash Can Liners
- ✓ Maintained Matching Dispensers
- ✓ Automatic Odor Control
- ✓ Clean & Sanitized Surfaces
- ✓ Automatic Towel Dispensers

CLEANTEAM

Don't let a dirty restroom cost you.

WILDMAN CLEANTEAM

A clean restroom reduces the spread of diseases, bacteria and viruses.

Let Wildman CleanTeam deep clean and sanitize your facilities as an effective and simple step you can take to keep your team safe and healthy.

Wildman CleanTeam Offers:

- ✓ Ongoing cleaning plans
- ✓ Expert consultation
- ✓ Detailed cost savings analysis
- ✓ Deep cleaning of your facilities to protect your team

THERE'S MORE

Our service goes beyond mats, uniforms, safety, and cleanliness. We are a true partner to enhance your brand, simplify your program, and build a custom solution to meet your needs.
